Re: leigh anne tuohy

OK, I guess the person you start with is Mr Smith. He is the majority owner of Alcon and is the best person to start with. Andrew and Broderick are his Presidents (Andrew is white and Broderick is black, roommates at Princeton) and I'll send you their numbers as well. Alcon is the company that bought the movie from Twentieth Century Fox and that is who would advise you of the money (I guess). Are you doing this interview or not with Collins and I? It will NOT involve anyone that we don't want it to involve. I think we should do it to help promote Coach Freeze and SJ has never gotten to do crap and he can be there for this. I need to know asap. Dad is already pissed at me about last night.

Bubbe,

On the invitation thing we got it said alot of players were giving signed jerseys, helmets or cleats....I didn't know if you gave anything but if you didn't, then the Movie poster would be different and everyone would want it, especially if you signed it to the person that bid the most. Is Wendy the lady that gave me her card after a game a few weeks ago? Really nervous lady? I can ask her but I can tell you from all the internet posting and things I've seen, these people in Baltimore are crazy for this movie, so it would be something I think would be a hot item. I'll do whatever you want me to do. Some Baltimore paper called today and I said"Let's talk football".....I'm doing really well with this, you'd be proud, I hope you are always proud. I just can't text all this, emailing is easier for this old lady, ok. I'm taking SJ to dinner. Did you have a good day off today? I sure hope so, you needed a rest. Big Hug.....

Love you,
Mom
